Dear Mr. Kerby:

Re: Access Road Upgrade, Nielson Sandstone Claims, DOE/023/025,
Juab County, Utah

Thank you for notifying the Division of your proposed activities at the above referenced mine site. The scope of work outlined in your April 13, 1987 letter falls within the limitations of your Declaration of Exemption currently on file with the Division. Approval to proceed is hereby granted.

I will look forward to working with you this spring as we proceed in the permitting of a mining and reclamation plan for this site.

Sincerely,

David M. Wham
Reclamation Hydrologist
